

Tahoe OT

Pediatric Occupational Therapy

Tahoe Occupational Therapy is beyond excited to join in partnership with Clever Minds Learning Center, located in lovely downtown Truckee, CA. Tahoe OT has proudly provided quality family-centered therapy for kids in the North Tahoe area since 2011. After years of collaborating with local families and schools, and providing in-home services and school consultations, we are excited to now have a dedicated clinic space to jump, crash, and learn.

Camille Andras MOTR/L
Owner & Therapist
